

Brill has acquired the English language titles from Apollo Books titles from their extensive books portfolio, effective end December 2012.

The acquisition comprises of a number of book series, such as:

- Geometrid Moths of Europe,
- The Moths and Butterflies of Great Britain and Ireland,
- Palaearctic Macrolepidoptera and Microlepidoptera of Europe.

Also included are 25 forthcoming titles, to be published over the next 3-4 years and over 100 backlist titles.

The Biology catalog, which includes all available Apollo books (and more!) has arrived. The PDF of the Biology Catalog is already available on [brill.com](http://www.brill.com):
