

Sarajevo, May 30, 2018

Dear Colleagues,

The Department of Mathematics of the University of Sarajevo is proud to announce that we will be hosting the Third SEE Young Researchers Workshop as a part of the BMS Mathematical Conference 2018 (<http://www.pmf.unsa.ba/bms2018/>). The first SEE Young Researchers Workshop was held in Ohrid in 2009 as a part of MASSEE International Congress on Mathematics and one of the initial events of the Tempus Project „SEE Doctoral Studies in Mathematical Sciences“. The second one was held in Skopje as a final event of the project, closing the SEE Year in Mathematics 2011.

The main idea of the third workshop remains the same: to give young researchers an opportunity to present in an international surrounding the research topics they have been working on and the results obtained so far, and to support networking of young and experienced researchers from the region and worldwide. The achievements of PhD participants at two previous conferences, nowadays well-established mathematicians themselves, are of particular interest.

You are also invited to join other relevant sections of the BMS Mathematical Conference 2018.

The workshop and the conference are scheduled for July 12 – 14, 2018 at the Department of Mathematics University of Sarajevo.

We are offering special registration fee for Workshop participants of €50 per participant.

More information on registration, accommodation and abstract submission can be found on the website <http://www.pmf.unsa.ba/bms2018/>. The extended deadline for registration is June 15, 2018.

For any additional information please contact Dr. Zenan Šabanac at zsabanac@pmf.unsa.ba

We are looking forward to meeting you soon.

Head of Scientific Committee

Prof. Dr. Muharem Avdispahić, HonDSc

Head of Organizing Committee

Prof. Dr. Senada Kalabušić
